All teams are encouraged to compete in the 'People's Choice' competition which is an integral component of our community fundraising event. The promoter recognizes that the 'People's Choice' places additional pressure and expense on participating teams.

For this reason, the People's Choice prize money is paid from event proceeds, not team registration fees, and is paid out the same as competition meats.

This is our thank-you to all the competing teams for helping us make this yearly community event a fun and successful one for all!
